BOX PLOWS
2016

IT'S NOT JUST A BOX PLOW IT'S A BOSS PLOW

BOSS Box Plows are engineered with all the same reliability and innovation as our truck plows and built to put the full force of your skid steer, backhoe or loader into pushing through winter's heaviest snowfalls. BOSS Box Plows attach to your equipment easily and have a large snow-carrying capacity. And because they're from BOSS, you can be sure these Box Plows are durable and packed with features to make your job easier and more efficient. Because BOSS is always there to BACK YOU UP.

SKID STEER BOX PLOWS

PROVEN STRENGTH FOR THE TOUGHEST JOBS

> SK 8', 10'

SK Box Plows from BOSS are designed to put the full force and maneuverability of your skid steer into getting the pavement BACK TO BLACK. The floating edge and pivot system keep the cutting edge in contact with the pavement regardless of the contour, and because it's from BOSS, you know the SK Box Plow is tough and durable enough to BACK YOU UP through any job.

Features a universal coupler that attaches to most skid steer attachment systems. Available in 8' and 10' sizes.

STANDARD FEATURES:

- > **High-Efficiency Moldboard** features a 56-degree attack angle that "rolls" the snow and reduces resistance.
- > **½" x 6" Durable Cutting Edge** delivers outstanding resistance to impact and abrasion.
- > **Universal Skid Steer Attachment Plates** provide built-in float and pivot features that optimize plowing performance and angle on uneven, rough surfaces.
- > **Heavy-Duty Trip Springs** are tough, tested and proven in some of the harshest environments.
- > **Heavy-Duty Plow Shoes** provide superior wear resistance for long-term durability.
- > **Universal Coupler System** allows the SK8 and SK10 to attach to most skid steers.
- > **Bolt-On Wing Design** allows quick and easy replacement of wing if damage occurs.
- > **SmartShield®** features our exclusive epoxy-based primer, which provides one of the toughest and most corrosion-resistant paint finishes in the industry.

POWER INNOVATED INTO EVERY PUSH

- > BH 12'
- > LDR 14', 16'

You can be at your best when Mother Nature is at her worst with the powerful BH and LDR Box Plows from BOSS. They attach quickly and easily to backhoes or loaders and work efficiently to help you RESTORE ORDER to the lots and roads of your community. BOSS Box Plows are equipped with innovative protection technology that help get the job done faster, easier and more efficiently. That's how BOSS BACKS YOU UP.

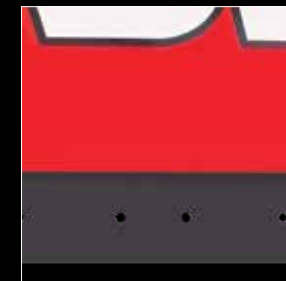

WHERE TO BUY
Go to bossplow.com and find your local authorized BOSS Dealer.

BACKHOE & LOADER BOX PLOWS

STANDARD FEATURES:

- > **High-Efficiency Moldboard** features a 70-degree attack angle that "rolls" the snow and reduces resistance.
- > **Exclusive Self-Adjusting Box Wings** automatically adjust to the contour of the pavement and eliminate scoop angle adjustments.
- > **Universal Fork Mounting System** features wear shims and attaches quickly and easily with a simple slide. Wear shims reduce wear on hitch system, preventing binding and are easily replaceable.
- > **Segmented Trip-Edge Design** is engineered so each cutting edge segment trips individually.
- > **Heavy-Duty Trip Springs** are tough, tested and proven in some of the harshest environments.
- > **Exclusive Support Struts** pivot for structural strength, stability and long-term reliability.
- > **AR450 Hardox® Wear Shoes** provide superior wear resistance for long-term durability.

Cutting Edge segments are reversible to maximize wear life (BH Box Plows only).

Universal Fork Mounting System attaches quickly and easily with a simple slide (Fork Mounting System for LDR Box Plows featured above).

Heavy-Duty Trip Springs

Exclusive SmartShield® finish delivers durable corrosion protection and a long-lasting, high-gloss shine.

High-Efficiency Moldboard

Exclusive Support Struts

Reversible Cutting Edge (BH Box Plows only)

Segmented Trip-Edge Design

Self-Adjusting Box Wings

AR450 Hardox® Wear Shoes
