**QUESTION: Are the Power-V Flat Top plows discontinued?**

Based on feedback from our Dealer network, and the overwhelming popularity of the Power V XT and DXT models, we have decided to no longer manufacture the following products within our Power V family:

- 7'6" Power V Plow (Flat Top) – MSC09907B
- 8'2" Power V Plow (Flat Top) – MSC09908B
- 9'2" Power V Plow (Flat Top) – MSC09909B
- 10' Power V Plow (Flat Top) – MSC09910

Limited quantities of the complete Power V Flat Top plow may be available at select BOSS Dealer locations. Please contact your local BOSS Dealer to discuss product availability. Spare parts will continue to be available.
